1985 – 2012

27 years of caring for the most vulnerable in society

Derby based charity, **Padley**, was founded 27 years ago in 1985 to work with the most deprived and vulnerable people in our city.

The people we work with have a range of issues including;

- Homelessness
- Mental health issues
- Learning difficulties
- Drug or Alcohol addiction
- Long term unemployment

Our **Homeless Centre** is accessible 365 days of the year. Based in the heart of the city, the centre comprises a ten bed hostel and a day centre, where professional support is available to help people move on in their lives. Basic needs such as; food, shower, clothing, laundry facilities and meaningful activities are provided along with the services of a visiting Community Psychiatric Nurse, a Wound Clinic, Street Drinkers Clinic, Chiropodist, Hairdresser and Smoking Cessation advisor.

The **Development Centre** is an accredited training unit delivering therapeutic and expressive arts, woodworking, cooking and vocational skills to people with learning difficulties, mental health issues and physical disabilities.

Our **Padley** Charity shop, catering and office facilities offer work experience opportunities to the long term unemployed and people with disabilities.

Each year some 40,000 visits are made to the two centres and although some of our work is supported by Derby City Council, Derby Primary Care Trust and the **Padley** Charity Shop and short courses at the Development Centre, we are still very dependant on donations and fund raising activities to enable our vital service provision to continue.

Can **YOU** help **Padley** to help others..... by making a regular donation, running a fund raising event, donating clothes to our Shop or volunteering your services.....?
